

HKV RFPD Chief Report April 15, 2026

Calls this period

April 6 - Medical - Overdose, diabetic - Rebekah, Brady and Adam responded with Leo from Polk County and Corvallis. The patient's vitals were taken and glucose was administered. The patient was transported to Good Sam.

Vehicles

563 was taken to Benton County shops for an estimate on pump repair and/or replacement. It was then taken to Hughes Fire in Albany for a second opinion.

Facility

Seth and Eli leveled the gravel in the back. Two vehicles were donated to the district from Jenny Wilder for extrication training. Nick, Lee and Ben transported the vehicles to the back gravel.

We are in arrears to the Kings Valley School for diesel payment. We are working with Diana and Wren from the school to rectify the situation and establish a payment process going forward.

Meetings

Adam attended the 911 Service District EAB meeting on April 8th.

Equipment

Vehicle extrication equipment purchased from the Siletz grant has arrived. 563 is being re-outfitted to accommodate the new gear.
